

Year 11 into 12 Bridging the Gap

Summer Work for 2020 Entry

St Philip Howard
SIXTH FORM
Learn, Grow, Achieve

We want you to be really successful and what it takes to be successful at GCSEs is different from being successful at A-Levels. Although you have fewer subjects there are different skills at A-Level and the volume of work is greater because the depth and detail is more demanding.

Bridging the Gap Work will reassure you that the subject you have selected is for you, or allow you time to change your choice of subject at enrolment, as long as there is space and you meet the entry criteria. We want you to study a course that interests you and you are sufficiently qualified to study.

Subject: Computer Science

Head of Subject: Mr J Pitkin (jpitkin@sphcs.co.uk)

Aim of Bridging Work:

To ensure a solid foundation of GCSE Computer Science is ready to start building on.
