

## Additional Educational Needs

Working alongside the Inclusion Department, we help all students with Additional Educational Needs (AEN) realise their full potential and achieve success in Sixth Form. Some students present with AEN in Literacy, Dyspraxia and Dyslexia, or they may need Emotional Literacy help. We liaise closely with parents, students, teaching staff, and Heads of Years to identify and support any additional needs.

It is crucial that you provide us with any details of known AEN and any supporting information so we can ensure the correct support is in place for.
